Warning for Anti-cellulite massage and Maderotherapy:

- After the first procedure, you may experience bruising in the area for 2 - 3 day as the body repairs.
- The arcas with cellulite tend to be sore and painful at times so it is common to experience some discomfort during the Anti cellulite massage/Maderotherapy

The visible result after will be after at least 5 procedures.

We recommend repeating the procedure no more than 2 times a week.

I understand that the massage therapist does not diagnose illness, disease or any other physical or mental disorder. The massage therapist does not prescribe medical treatment nor perform spinal manipulations. I will inform the therapist of my current condition at the time of each visit.
